5. Have you received the **Universal Child Care Benefit** (UCCB) of **\$100 per month** (\$160/month for 2015 and onwards) for each child **under 6 years** of age? Also, commencing January 2015, parents will receive a UCCB of \$60/month for children aged 6-17.

The increased benefit will begin on January 2015, however, the July 2015 payment will include the increased benefits from January to June 2015.

1. Instalments required for 2016? A **Pre-Authorized Debit** (PAD) is an online service-payment option whereby CRA is authorized to withdraw a pre-determined payment amount directly from a bank account on a specific date(s) to **pay taxes**. This may help assist you

with **avoiding penalties** on late and/or missing installment payments.

2. The **Family Tax Cut**, is a federal tax credit that will allow a higher-income spouse to **transfer** up to \$50,000 of **taxable income** to a spouse in a lower tax bracket. The credit will provide tax relief – capped at \$2,000 – for couples with children under the age of 18, effective for the 2014 tax year. To best maximize this new credit for 2015, and other credits, it is ideal if we do the tax return for both spouses or common-law partners. Note that the **new Federal Government** has indicated that this credit will be **eliminated**, however, the legislation has not yet passed.

The non-refundable credit will provide tax relief of 15% on up to \$10,000 of eligible expenditures (**renovations to a qualified dwelling** to enhance mobility or reduce risk of harm) per calendar year, per qualifying individual (persons 65 years of age or older at end of the particular taxation year or persons eligible for the Disability Tax Credit). The Credit is eligible for expenditures after 2015.
